Recommendation letter for Abdullatif Khayat

Dear colleague -

I hope this finds you well.

I'm writing to you to **strongly endorse Abdullatif Khayat** for a technical role in your company.

We are a social venture that supports young aspiring talents from non-European countries in finding a challenging tech job in Europe or North America. We run a highly selective 4 week digital boot camp for full stack developers, data scientists/engineers and software automation testers. Over the course of the program, we identify candidates whose talent, passion and work ethic significantly stand out from their peers.

Abdullatif Khayat is an outstanding Full stack engineer who ranks in the top 10% of our peer group.

English communication	**Strong** – validated in multiple rounds of 1:1 interviews
Technical skills	**High & up to date** – on par with candidates in Germany
Unique qualities	**Strong motivation & demonstrated work ethic**
EU 'Blue Card' eligibility	**Yes** - #REF!
Maturity	**Junior** – 2 years of work experience

Please feel free to reach out to me personally at johann@joinimagine.org in case of any questions.

Warm regards & herzliche Grüße -

Dr. Johann Daniel Harnoss
